Day/Popcorn Friday

Mar. 22- End of 3rd Grading

Period

-In-Service/Records

Mar. 25-29- Spring Break

Mar. 31- Easter

Dear Families,

Happy March! The kids have been a bit crabby that we've only had two good days to sled ride on the playground this winter! Even though we haven't really even had a winter this year, spring is right around the corner and our kids have been enjoying the occasional 70 degree days!

The 5th grade band will be performing for their parents on March 12 at the Revere High School auditorium. They have been practicing so hard and they are ready to show off a little bit. A huge thank you to Mr. Chiera and Miss Fassnacht for their hard work with our band this year.

Our 3rd grade students will be treated to an awesome assembly on March 12 by The Apollo's Fire Baroque Orchestra. This will be a great experience for the kids and hopefully spark an interest in playing in Mr. Bowman's Bath orchestra next year.

Sincerely,

Dan Fry, Principal

Andrew Wilson, Assistant Principal

Ohio State Tests

Now that spring is quickly approaching, we need to begin thinking about the upcoming Ohio State Tests (OST). Our 3rd, 4th and 5th grade students will be taking their OST in the coming months. The 3rd and 4th graders will take the English/ Language Arts and Math tests. Each of these tests will consist of two different sessions. Our 5th graders will take the English/ Language Arts, Math, and Science tests. These also consist of two different sessions.

The 3rd graders will be taking pencil and paper versions of the tests and our 4th and 5th graders will take their tests electronically on their iPads. Here are the testing dates for each grade level. If possible, please try to schedule any appointments for your children around this schedule. Thanks for your help.

3rd Gr. Schedule:

English/Language Arts- April 9,10
April- 25, 26

4th Gr. Schedule:

English/Language Arts- April 11, 12
Math-May 1, 2

5th Gr. Schedule:

English/Language Arts-Apr. 16, 17
Science- Apr. 23, 24
Math-May 6, 7

Pi Day

Bath School will be celebrating Pi Day on Thursday, March 14. Pi is the mathematical symbol for the ratio of the circumference of any circle to its diameter. When abbreviated, Pi equals 3.14, which on a calendar is March 14. Our day will begin with an official proclamation over the morning announcements. Throughout the day, the kids will be working on a variety of Pi activities. During lunch, the kids will be treated to slices of delicious pie! Thank you in advance to our Bath PTA for helping to make this a fun, educational day for our students.

5th Grade Career Day

On April 4th, our 5th grade students will be participating in Career Day, coordinated by Mrs. Nancy Vondrak from the Cuyahoga Valley Career Center. Many Bath parents will be sharing their professions with our students. As part of the program, students dress in business attire and create their own questions for the presenters. This is a great opportunity for our Bath students to learn about a variety of careers and talk to role models in our community. We are grateful to the parents and community members who donate their time for this wonderful event.

Bath School Yearbook Orders

Mrs. Hetman, one of our amazing 4th gr. teachers, has created an incredible yearbook for our students this year. Yearbooks are \$23 and can be ordered online through **March 8th**. To order, go to www.RipchoStudio.com and enter our school password, **ybbathes24**, in the text box and click "login". Click the "price box" and then "add to cart". Click on the "shopping cart" in the right corner of the page. Enter your student's information and click "confirm." Enter Your contact info and click "proceed to payment." Enter your credit card info and click "place your order." Yearbooks will be delivered to school at the end of May.

Magical Theater Kids Script Performance

On April 5, the Magical Theater Co. will perform very special plays for our children. These stories were written by our 5th grade students as a part of their Kids Script program. Two of the best stories were selected, made into plays, and rehearsed by the professional actors. We will have two performances on the 5th, one at 9:00 for the 4th-5th grade and a second at 10:30 for our 3rd graders. The identities of our star authors are a secret, so you will have to wait until your kids come home on April 5 to hear all about it. Thank you to our Bath PTA for providing this fantastic program for our writers at Bath School.

Students of the Month

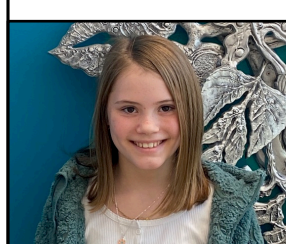

Sophie Mitchell is a quiet leader and positive role model in our classroom. She is kind, helpful and a great friend to everyone. She takes advantage of opportunities to expand her learning and can always be found doing the right thing. She is a wonderful example of a Bath Team Hero!

Gavin Fredrick stands out in a classroom full of students that stand out! He is kind, caring and respected by his peers. Gavin has a positive attitude and is always willing to help a friend or classmate in need. He is a hard worker and is always on task. Gavin's classmates and teachers all recognize his hard work and know that he makes their classroom a better place!

Lydia Hansen is a responsible, respectful, problem solver! She is consistently striving to turn in quality work, learn from each lesson, and keep us on task. She is a great friend, wonderful advocate for her class, and is never afraid to ask for clarification or extra help. She truly wants to make sure she gives her best effort. Lydia is truly a Bath Team Hero!

Elin Jarvis is a fantastic friend within our classroom. She is always willing to help out and take on leadership roles. Elin is innovative, creative, kind hearted and funny. She is always willing to help out a friend and include classmates in her group. She welcomes a challenge and isn't afraid to ask for help when needed. Keep up the great work, Elin!
