## WHAT IS FRISBE?

Friends of Independent Schools and Better Education (FRISBE) is a Washington State non-profit corporation with IRC Section 501(c)(3) status. Because FRISBE is entirely operated by its Board of Director volunteers, it does not take any fees for its services, other than fees associated with inbound donation transactional costs (credit card fees, etc).

**IMPORTANT:** Please also send a brief email to [frisbe@frisbe.org](mailto:frisbe@frisbe.org) indicating your name and mailing address, that your donation is for Albert College, and any requests for use of the funds.

## GIVING FROM DONOR ADVISED FUND

Did you know that you can give to Albert College from your Donor Advised Fund (DAF) in the United States?

To give via DAF you must use FRISBE.

## HOW IT WORKS

The DAF will be able to identify FRISBE as a qualifying charity by name or Federal Tax ID #91-1216755

Send FRISBE an email at [frisbe@frisbe.org](mailto:frisbe@frisbe.org) to tell them that your donation is for Albert College. Or, make sure the DAF is able to specify this information in the materials that go to FRISBE with the cheque (memo, etc). Otherwise, FRISBE won't know what school the funds are meant to support.

If US donors want to support Albert College through their DAF they must use FRISBE. This is because DAFs must give to US charitable organizations and are prohibited from giving to foreign charities.

FRISBE is a registered 501c3 in the US and will show up as an eligible charity in most DAF databases. If for some reason FRISBE is not listed in your DAF's database, please use FRISBE's Federal Tax ID #91-1216755 to locate them.

DAF's must give to a US 501c3, so they cannot give directly to Canadian charities. FRISBE, on the other hand, is happy to receive your donation on behalf of Albert College.

Please speak with your financial advisor or accountant to see which giving option is best for you.
