March 2024

Dear Students, Parents, and Guardians,

As we transition into the month of March, we wanted to take a moment to share some important updates and reminders with our school community.

Firstly, we would like to extend our best wishes to all our students who will be participating in the upcoming ACT and ASPIRE testing. These assessments are valuable opportunities for our students to showcase their academic abilities and pave the way for future success. We encourage all students to approach these tests with confidence and to take advantage of the resources and support available to them.

We will have a Parent Teacher Conference on March 7th starting at 3:30pm till 5:30pm. Please come and meet with your student's teacher to discuss their academic progress and plan for graduation.

Term 5 begins on March 4th. Here is the new opportunity for credit recovery classes and acquisition of new credits that will lead to your students' graduation.

As a friendly reminder, daylight saving time will begin on March 10th. Don't forget to set your clocks forward one hour and adjust your schedules accordingly. While the loss of an hour of sleep may feel challenging initially, let us use this change as a reminder to make the most of each moment and to embrace the extra daylight as we move into the spring season.

Thank you for your ongoing support and partnership as we continue to strive for excellence in all that we do. Together, we can make this month a memorable and successful one for our school community.

Warm regards,
Horizonte Team

CLASS OF 2024

Straight Out of The Counseling Center:

March is the season for college tours! The counselors have set up tours to five Salt Lake Community College campuses. Students have had a presentation on each campus and have chosen one to visit in person based on their interests. This is always a fun and enlightening experience for our students. We will also have a tour to Davis Tech in April!

A Message from our ELA/ELD Department:

The ELA/ELD team is looking forward to Term 5. The ELD team is finishing up WIDA testing, and we want to give a big THANK YOU to everyone for ensuring our students completed the test.

The ELA team is focusing on building skills for testing and working hard on developing stamina in both reading and writing. The more we can get our students to read and write the better they will feel about testing on March 13th.

ACT/Aspire+TESTING March 13th

9th, 10th & 11th grade only, no exceptions
Watch out for emails from testing staff with more information for teachers, students and parents.
