

Mrs. Gardener

Hi all. This is Medha and Rhea coming with our 7th article. We interviewed Mrs. Gardener and to learn more about her. Please tell everyone about our articles. Now let's get started with the Q&A

Q&A

#1.Q: What do you like about being a second grade teacher? A: I love this age group because I feel that they are still excited about learning new things. They are independent enough to work by themselves.

#2.Q: What special things do you like doing in second grade? A: I love working in the garden with all the 75 second graders.
