Report Narrative:

The General fund shows a balance of \$32.6 million at the end of November 2023, as compared to \$34.4 million in Nov of 2022. This difference is in part due to the projected monthly increase in operating expenses over operating revenues. The balance of the debt service is higher this month but will decline next month as the district pays the interest and principal on debt. The district food service balance remains currently higher than expected due to federal moneys recieved in FY22 and FY 23. The district healthare fund (024) has stabilized over the last three months.

HCSD Financial Reporting -Cash Summary Report Supplement

As supplemental tool to the Cash Summary Report this guide is intended to provide some background on the purpose of the material and significant funds that govern district financials.

Fund Definition - A fund refers to a separate accounting entity used to track and manage HCSD financial resources that are designated for specific purposes. Each fund is established to ensure proper allocation, accountability, and transparency in managing the financial transactions related to its intended purpose. Monies deposited in these Funds, for the most part, cannot be shared or moved between funds.

Within the HCSD, the main funds include:

- [General Fund \(001\)](#): This is the primary fund used for the day-to-day operations of the school district. It covers expenses such as teacher salaries, administrative costs, classroom materials, and utilities.
- [Bond Retirement \(002\)](#): This fund is used to ensure that monies are available when bonds mature, allowing the HCSD as the issuer to fulfill its debt repayment obligations in a timely manner.
- [Permanent Improvement \(003.004\)](#): This is the primary funding source for capital projects that have a lasting impact of at least 5 years or more, including building repairs, technology upgrades, safety enhancements, and more.
- [Nutrition Services \(006\)](#): This fund supports our meal program offering students healthy breakfasts and lunches that include milk, juices, fruits and vegetables, proteins, and grains. Meals are available for a fee along with free and reduced options for eligible families. This fund also covers expenses for cooks, servers, check-out attendants, and related supplies.
- [Trust Funds \(007\)](#): These funds have been donated to the district to establish trust funds or scholarships, typically for the benefit of students and teachers. These funds often are restricted in their use.
- [HCER Fund \(013\)](#): This fund was established to manage the financials for HCER. All HCER programs are funded through this fund.
- [Self-Insurance Fund \(024\)](#): This is a fund used to account for claims paid. Since the district is self-insured, funds are deposited in this fund and are strictly used for the payment of claims.
- [Activity Fund \(200-300's\)](#): These funds are used by Student Organizations and their advisors to account for financial activity needed by the organization. Funds are typically deposited from fund raisers or donations.
- [State Grants \(400's\)-Funds](#) received by the state through state grants
- [Federal Grants \(S00's\)](#) -Funds received by the Federal Government. Examples would include Title I, Title IIA, IDEA, and ESSER Grants. These funds are heavily restricted, can only be used for designated purposes, and must be spent within a certain period of time.
