

PENNY WARS AT PINE-RICHLAND (FEB 2 - MARCH 20)

What is Penny Wars?

Penny Wars is a fundraising competition where our homerooms collect coins and bills in an effort to score points based on the amount and denomination collected. Each Homeroom has a bucket for collecting the money; typically, groups collect coins, but dollar bills may also be accepted. The goal is for each team to have the most points by the end of the competition.

Sabotaging other Homerooms

In this approach students will be able to “sabotage” any other homeroom of their choosing. 1 penny is still equal to 1 point, but silver coins can be used to sabotage other Homerooms. By depositing nickels, dimes, and quarters (5 points, 10 points, and 25 points each respectively) into rival teams’ containers, they can deduct points from their competitors.

The Points System

POSITIVE POINTS

- EACH PENNY = **+1** POINT
- $1 BILL = **+100** POINTS
- $5 BILL = **+500** POINTS
- $10 BILL = **+1,000** POINTS

NEGATIVE POINTS

- NICKEL = **-5** POINTS
- DIME = **-10** POINTS
- QUARTER = **-25** POINTS
