## **CREDIT FLEX APPLICATION**

*Ohio's plan for credit flexibility is designed to broaden the scope of curricular options available to students, increase the depth of study possible for a particular subject, and allow tailoring of learning time and/or conditions. These are ways in which aspects of learning can be customized around more of the student's interests and needs.*

## **ARE YOU READY FOR A CREDIT FLEXIBILITY OPPORTUNITY?**

A credit flex opportunity at Hudson High School is a student owned learning opportunity that:

- ✓ Provides more choices and autonomy in deciding how, when and where students learn
- ✓ Provides a more options for individually suited pathways to post-secondary and career goals
- ✓ Provides acceleration and convenience including more options for courses in the school schedule, especially for fitting in electives

Students may earn credit through one of the following:

- ✓ Demonstration of Mastery- testing out of a course
- ✓ Pre-approved/Pre-Written Credit Flex Courses
- ✓ Enrichment through Experience or Performance

## **STUDENTS WHO CAN ANSWER “YES” TO THE FOLLOWING QUESTIONS ARE READY FOR A CREDIT FLEX COURSE.**

Students understand that:

- ✓ I will follow the rules of Hudson City School District and the school code of conduct while working on this credit flex opportunity
- ✓ I understand that Hudson City School District cannot offer hardware or software support for my personal computer
- ✓ I am the only one responsible for my own learning
- ✓ I am able to manage my study time effectively and easily complete assignments on time
- ✓ I am self-disciplined and find it easy to set aside reading and homework time
- ✓ When it comes to learning, I am a self-directed person
- ✓ I am willing to follow the recommendations made by the committee approving my credit flex plan
- ✓ I am willing to revise my credit flex plan according to the specifications of the committee

# **Hudson High School Credit Flexibility**

**Important: Hudson High School students should thoroughly read the information below. It is important that the information is understood and followed throughout the credit flexibility course.**

## **Application Deadlines**

Students wishing to take advantage of the credit flexibility opportunity must submit a complete application by:

- ✓ September 1 (for fall semester)
- ✓ December 15 (for spring semester)
- ✓ May 1 (for summer)

\*Please note that work submitted for credit will be reviewed on or near the application deadlines. For example: if you earn application approval on Sept. 1, all work must be completed and submitted by December 15 for review by the credit flex committee. Extensions may be requested through your school counselor, as needed.

## **Program Integrity**

In order to ensure the integrity of the learning experience approved under this program, the student will be required periodically and/or upon request to provide evidence of progress and attendance. The principal or his/her designee will be responsible for certifying completion and the award of credits consistent with the District's policies on graduation. If a student ceases to attend or is unable to complete the credit flexibility opportunity for any reason, the application will be voided.

## **OHSAA/NCAA Considerations**

Students wishing to participate in high school athletics must be aware that credit flexibility learning experiences will not be factored into their eligibility considerations. We recommend that students continue to enroll in courses posted on the approved NCAA website to remain eligible for participation.

Seniors wishing to pursue Division I or Division II NCAA athletic eligibility are responsible for ensuring that they will meet the appropriate requirements.

OHSAA requires that student-athletes must receive passing grades in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period in order to be eligible to participate.

## **Awarding Credit**

Credit will be awarded and appear on a student's end of year transcript following the approved completion of credit flex coursework. **Please note:** credit flex classes will not appear on a student's report card. A student's school counselor will notify them of the credit being awarded and the grade earned via email within one week of approval.

## **Retroactive Credit**

Students will not be allowed to retroactively receive credit for courses or experiences taken prior to the submission of an application. Therefore, all courses taken or credit gained prior to the approval of the committee will not be granted to students.

## **Resubmission Process**

Students who wish to resubmit their application after concerns were raised and recommendations were made must do so within TWO WEEKS after the decision was made. If this deadline has passed, the student may resubmit his/her application for the deadline of the next session.
