Programs, experiences and activities to support my academic and career goals:

# *How to decide on courses*

## **Talk with your Parents:**

Discuss your goals, review ALL options

## **Talk with your teachers:**

Get their professional recommendation on what course would be your best choice.

## **Think about your future:**

What courses could you take that allow you to explore career ideas?

## **Think about balance:**

Think through how you are managing your current work load... is it too much, too little?

# Next Steps

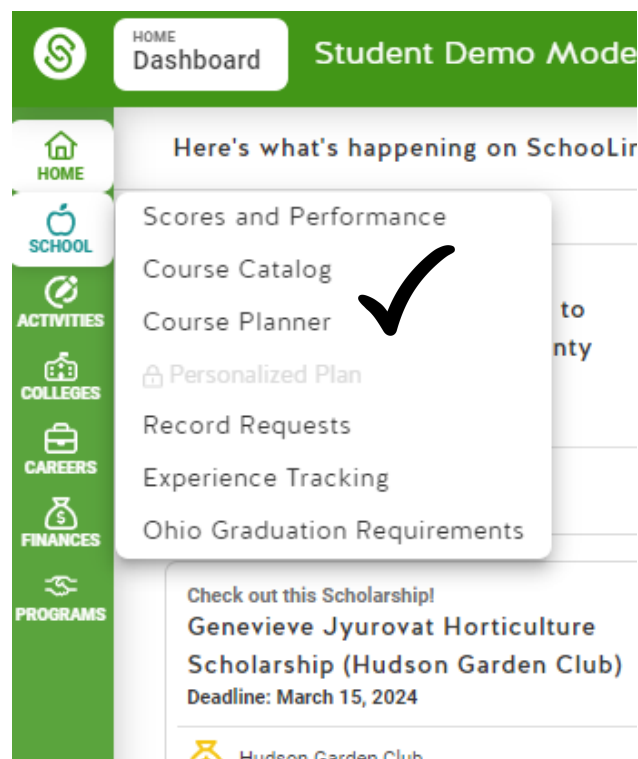

# Where do I go to request courses?

*Which courses do I need?*

Work to complete graduation requirements: think four cores plus electives. You should speak with your current teachers to get their recommendations of course level for next year.

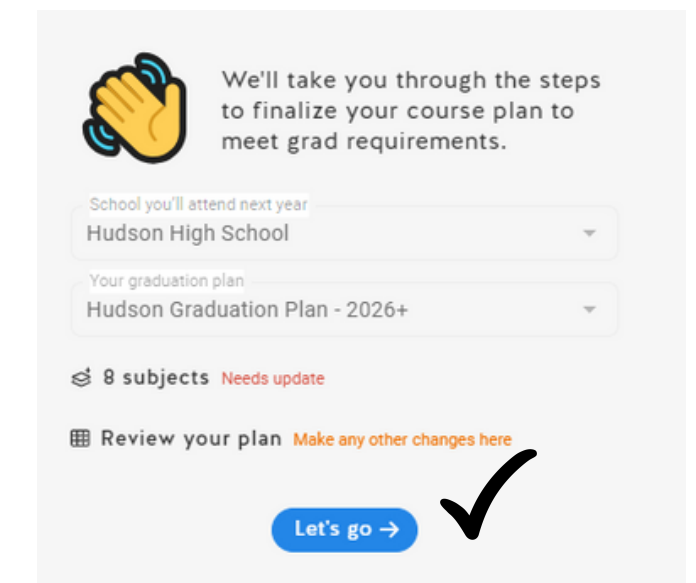

*How do I get to Course Planner, & what do I do once I am there?*

Log in to your SchoolLinks account using your Google Log-In. Click the “school” icon, then “course planner”.

Click “complete plan” for the 23-24 School Year Plan.

Then, click “let’s go”.

After making your selections, you can confirm here which courses you have selected & that you've selected enough courses for the year.

Additionally, if you plan out all years, once you've met the graduation requirements for a subject area, the row will turn to green. Rows that remain red have an unsatisfied requirement.

Be sure to review in detail before hitting submit. NO additional CHANGES can be made by you once you submit your plan.

# Scheduling Timeline

Consider your options, have conversations & make course decisions!

Complete your Course Plan in SchooLinks between 2.5-2.9 with final course requests.

Submit your signed course selection sheet to your homeroom teacher by 2.9. Be sure to compare course codes between SchooLinks & your selection sheet.
