Local Graduation Seal Updates

Please note the following updates on your Explorer Graduation Plan regarding the these local seals:

COMMUNITY SERVICE SEAL (locally defined)

A student may earn this seal by completing a minimum of **40 hours** of community service. Students will be required to submit a completed community service log that is signed/approved by the advisor, student, parent, and an individual at the organization who will oversee the student's work. Community service hours must be documented and verified by an individual at the community service organization before they are submitted to the school advisor for final approval. Students can log hours and get approved through SchoolLinks "Experience Tracking"

STUDENT ENGAGEMENT SEAL (locally defined) Students must participate in at least **four** extracurricular activities during grades 9-12. Students must have at least an 80% participation/attendance rate in the activity. Eligible activities include participation in an athletic program, recognized school club, or student government that does not earn academic credit. Activities outside of HHS including dance, equestrian, community theater, etc. can qualify with approval from an administrator. Participation must be verified by the program advisor or coach. Students can enter activities and get approved through SchoolLinks "Experience Tracking"
