Identify some of the documents that will be provided in Spanish or other languages as needed in reference to the LEA translation procedures, including the district PFE policy, the school PFE policy, the school-parent compact, parent's right to know letter, and PFE newsletters.

Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Reporting
Procedures**

If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

Identify some of the documents that will be provided in Spanish or other languages as needed in reference to the LEA translation procedures, including the district PFE policy, the school PFE policy, the school-parent compact, parent's right to know letter, and PFE newsletters.

Such Title I, Part A activities offered are: parent/family nights, parent conferences, and etc. Whenever possible, childcare and language interpreters will be provided. By working together and making suggestions to improve our schools, our students will be successful. Section 1116 (a)(1).

List examples when the parent and family engagement strategies were coordinated and integrated.

6. Kilgore ISD will conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying—Section 1116 (a)(2)(D)

- barriers to greater participation by parents in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);
- the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

Describe the role of parents in designing and implementing evidence-based strategies, and the process the district will use to support these strategies.

8. Kilgore ISD will involve parents in the activities of the schools served under this part, which may include, establishing a parent advisory board comprised of a sufficient number and representative group of 3-5 diverse members per campus, including one campus representative with a child in the district, and one district representative. Members should meet twice per year to adequately represent the needs of the population for the purposes of developing, revising, and reviewing the Parent and Family Engagement policy and provide such other reasonable support for parental involvement activities.

Section 1116 (a)(2)(F) and Section 1116 (e)(14)

9. To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, Kilgore ISD shall: Section 1116 (e)

Identify some of the documents that will be provided in Spanish or other languages as needed in reference to the LEA translation procedures, including the district PFE policy, the school PFE policy, the school-parent compact, parent's right to know letter, and PFE newsletters.

Although ESSA statute does not require the Local Education Agency Parent and Family Engagement Policy to be approved by the school board, the LEA may require Board adoption. Refer to your LEA “policy on policies” and follow the more restrictive requirement.
