## **Google Form Recommendations**

It is important to have good references – people who can vouch for your skills and personal qualities. For this program, you will need (2) Google Form recommendations. One (1) from a teacher attesting to your interest in the STEM career industry and your ability to complete the program. One (1) teacher, counselor or personal reference attesting to your personal qualities that make you a good candidate for the program. (*i.e., coach, scout leader, camp counselor, neighbor, another teacher or school counselor, etc.*). Your counselor will need the names and emails of your two references so they can send them the recommendation form.

## **Statement of Career Interest**

Write a career interest statement of approximately one page. It should include information about career goals, family and/or personal experience that make you a good candidate for P-TECH, why you want to be in the P-TECH program, and what you think this will mean to you in terms of your education and future goals. Please attach a typed copy of your career interest to your application.

## **Report Cards and Records**

Please ask your counselor to attach your 7<sup>th</sup> grade report card and the 1<sup>st</sup> and 2<sup>nd</sup> quarter of your 8<sup>th</sup> grade year. Also, have your 8<sup>th</sup> grade math teacher complete the attached Math Recommendation form. If you have an IEP or are enrolled in an ESL/ELL program, please also attach a copy of the paperwork. Final 8<sup>th</sup> grade report cards must be submitted by June 30<sup>th</sup> for acceptance to be complete.

## **Application Submission (Applications are due by March 15, 2024)**

This application, essays, report cards and records, and letters of recommendation should be submitted to your school's guidance department by March 8. Counselors can send application packets via mail or email to:
