It is the student's responsibility to make an appointment with their RHS counselor prior to college registration EACH SEMESTER to review requirements, confirm registration plans, and complete state PSEO forms. Your RHS counselor also needs to be informed of any and all changes made to your PSEO schedule (dropping/adding a course, failing grades, etc).		
As an RHS student who is taking PSEO classes, I am aware that I need to regularly check my RHS email and Schoology for communications from my high school counselor and for important grade level info.		
Four (4) college semester credits are equal to two (2) high school credits.		
Every PSEO institution has their own application process and criteria for admitting students. Colleges have different deadlines, start dates, etc. According to MN State Statute, students must notify their High School by <u>May 30</u> if they plan to attend PSEO the following fall semester.		
All PSEO courses (including W and F) will transfer to my RHS transcript with the college grade earned.		
Per district policy, PSEO grades will <u>not</u> be weighted when transferred to my RHS transcript. Most colleges use an ABCDF grading scale (no pluses or minuses)		
Failed PSEO courses may impact future financial aid and will go on the student's permanent college transcript.		
Students are responsible for their own transportation to/from the college they are attending.		
Parents/Guardians do not have access to their student's academic college records, unless the student gives written permission to the college.
