

Share the Love

*invite an exchange
student to your home*

Host Families:

- Experience new cultures.
- Have Fun! Create memories.
- Share their own culture.
- Add an international member to their family.

Every Host Family Gets:

- A Local Coordinator who lives nearby and is ready to support.
- 24/7 Multilingual phone support.
- A smart, engaged, and excited student ready to join the family.

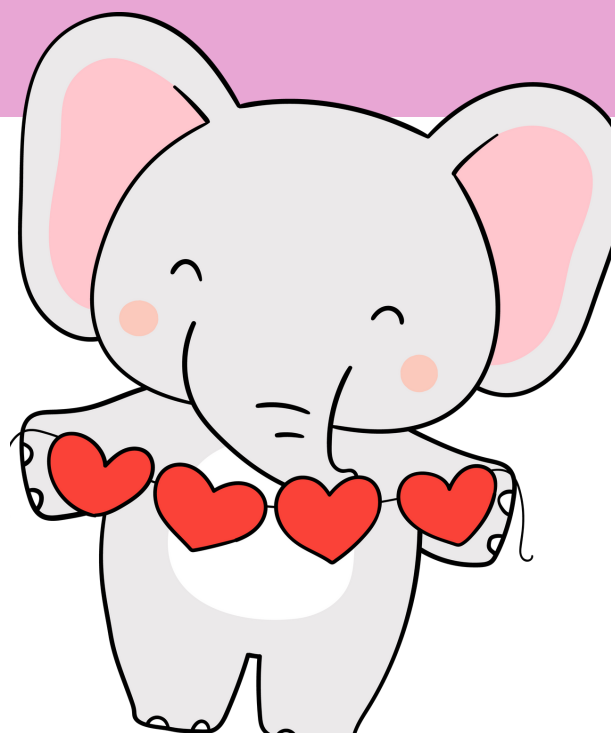

Students Have:

- English fluency, showcased by taking the ELTiS exam.
- Student orientation to ensure they are ready for the experience.
- Readiness to give back to the community.

Host Families Provide:

- A bedroom (can be shared with someone of the same gender and approximate age.)
- 3 meals a day
- A loving family.

cīee®

Elena

- Enjoys sewing, drawing and hiking.
- Loves children and pets.
- I am a reserved girl at first but then I am really funny. I love spending time with my family especially when we are outdoors hiking in the country. I quite good at cooking and I'd like to cook for you.

Jesus

- Enjoys hanging out with friends, spending quality time with family, and playing sports: soccer, running, and Judo (brown belt).
- Describes himself as humble, relaxed because his family taught him to be grounded and to respect others.

Marzia

- Passions include dancing, piano, reading, and pets (cat allergy)
- I am a girl that loves to laugh and smile. I'd like to try something new like cheerleading or theater club. I enjoy taking walks in nature and cooking for my family.
- Considering a career in business or economics.

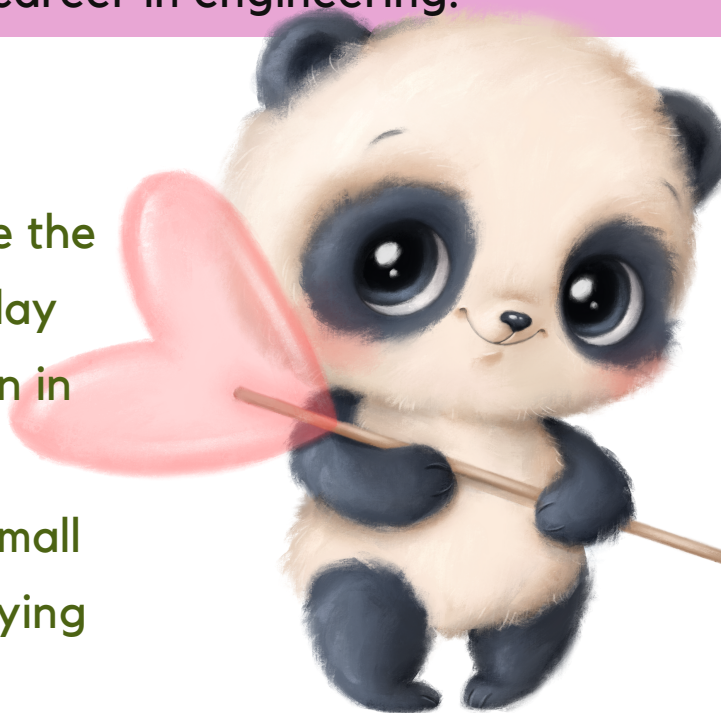

Clemente

- Spends his free time playing tennis, rock climbing, skiing, hiking, cooking and gardening.
- I am a kind and polite person who will help others whenever I can. I love to cook and tend to my greenhouse full of tropical orchids
- Wants a career in engineering.

Maria

- I am always laughing and love to see the people around me happy. I love to play with my little cousins and go for a run in my free time.
- Enjoys running, spending time with small children, going to the gym, and studying French & English
