DPES Teacher Goes Above & Beyond for Student, Recognized on Texans Helping Texans KHOU Broadcast

Decker Prairie Elementary kindergarten teacher Cheryl Shrader exemplified what it means to go above and beyond for a student. When Kendall, a kindergarten student in Shrader's class, had to have spine surgery in October 2023 to fix a form of scoliosis, that meant she would be in a body cast for weeks and couldn't return to her class for months.

When the time came for Schrader to step up big, she did.

Aaron Plumlee, J.D., THS '00

Aaron Plumlee, J.D., THS '00

Real Estate Expert - Realtor, Residential Appraiser, Attorney

He is community connected and takes pride in his work. Committed to providing his clients the best possible experience in real estate, Aaron Plumlee, J.D. understands the value of personal connection and a homegrown approach.

Plumlee is a 2000 graduate of Tomball High School and is currently a real estate agent and residential appraiser but also brings extensive experience as an attorney to his career.

Born and raised in Tomball, Texas, Plumlee attended Lakewood Elementary, Tomball Intermediate, Tomball Junior High and THS.

“My experience in Tomball ISD and the schools I attended was nothing but positive,” he said. “I have fond memories of my time in Tomball schools, and have lifelong friendships with other Tomball alumni that I made along the way.”

As a young boy, Plumlee was always interested in sports, and took that interest into high school, competing on multiple sports teams. While a THS Cougar, he played baseball, football, basketball and golf. In fact, he finished second individually in District his junior year and was the first member of the Cougars Golf Team to advance to a Regional in school history.

“There’s not a day of my life that goes by where I don’t interact with sports in some way.”

After graduating from THS, Plumlee chose to attend the University of Texas at Austin.

“UT was always my dream school as it offered the best of both worlds with its prestige academically, as well as in its athletic programs,” he said. “I still wanted to live somewhat close to home here in Tomball so that I could travel back and see my parents from time to time.”

While a Realtor now, that was not Plumlee’s original career choice. In college, he considered medical school but quickly decided he wanted to be an attorney after he progressed through his college classes.

“The law (and law enforcement) always fascinated me growing up, and still does,” Plumlee said. “To this day, I’m passionate and have a keen interest when legal issues arise in my real estate career, the news, or otherwise in our everyday lives.”

Plumlee graduated from UT in 2004 and went on to attend law school at the University of Tulsa where he graduated in 2008. From there, he returned home, passed the bar exam and practiced law for the next eight years.

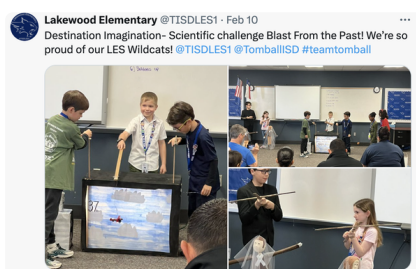

He moved into real estate in 2016.

“I had accomplished my goals as a lawyer and the opportunity was absolutely ideal to move into real estate,” he recalls.

Plumlee first became a certified residential appraiser then transitioned into a Realtor. In his current role, Plumlee brings a unique 3-prong approach to real estate.
