

**Big Spring School District,
Carlisle Area School District,
Mechanicsburg Area School District,
Northern York County School District,
Shippensburg Area School District
and South Middleton School District
are pleased to present the
following parent training:**

“The Ins and Outs of Executive Functioning”

Participants will gain a better understanding
of Executive Functioning.

Participants will learn how Executive Functioning affects
academic performance as well as interactions at home.

Participants will learn strategies which will help better
manage executive functioning at school and home.

**Presented by Sharon Moleski and
Sarah Lehman, Learning Support Teachers**

January 31, 2019
6:00-7:30pm
