Spring Break

Good afternoon, Eagle families -

What a great week! I can't say how proud I am of all our students.

The month of February was awesome. Our Read-A-Thon was a big hit. Our students read over a combined 1700 books in 29 days! Unbelievable. We also had huge community support. Thanks to your support, we are thrilled to let you all know that our Booster Group raised over \$3300.00. What an awesome community.

I want to ensure we keep pushing our AIE students to keep up the reading. Just because we are done with the Read-A-Thon, doesn't mean we need to slow down. Keep reading!!!

I also spoke about our upcoming SIP review this Spring. We have a Google form here <https://forms.gle/xunfuItSHTPH2ZLJ8>. If you all could provide feedback, we would be grateful.

We also sent home a parent compact form. Please sign that and return it to us here at school.

Thanks again for all of your support, AI Families. I hope you all have a great weekend. Remember to get some rest, get outside, and keep on reading!

I look forward to seeing you all next week.

- Mr. Miller
