

**PUBLIC SALES ON SCHOOL PROPERTY**

No one may sell or offer for sale, within the school, on school grounds, or at school-sponsored activities, any product or service except when the sale will benefit the educational or extracurricular programs of the schools.

The School Board prohibits non-students from making sales within schools without the approval of the Superintendent or designee but permits sales by Parent-Teacher Associations or Organizations when authorized by the school principal. It is permissible for schools to sell certain specialized merchandise pertaining to the individual school, as well as miscellaneous items in school supply stores within school buildings.

School fundraising activities shall be subject to the approval of the school principal.

Solicitations for contributions to charitable organizations, dues for employee organizations, contributions for the benefit of professional organizations, or funds for school or student organizations may only be made outside school hours and using non-school resources. Individual discussions between school division employees regarding such contributions during school hours are not prohibited.
