## Parent Right-to-Know Information as Required by The Elementary and Secondary Education Assistance (ESEA) {Section 112€(1)(A)} and the Every Student Succeeds Act {Section 1112€(1)(A)}

Dear Parent(s)/Legal Guardian(s):

**Wellsville Elementary School & Northern Elementary School** receive Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will provide you with important information about these services and your child's education.

This letter lets you know about your right to request information about the qualifications of the classroom and building staff working with your child. As a Title I School, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher hold, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

The Every Student Succeeds Act (ESSA), which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA), includes additional right-to-know requests. At any time parents and family members can request:

- Information on policies regarding student participation in assessments and procedures for opting out
- Information on required assessments that include the subject matter tested, the purpose of the test, the source of the requirement (if applicable), the amount of time it takes students to complete the test, and the time and format of disseminating results.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Pennsylvania state requirements.

If you have any questions about your child's assignment to a teacher or paraprofessional, please email me at [mmeakin@northernYork.org](mailto:mmeakin@northernYork.org).

Sincerely,

Dr. Matthew Meakin
