## Northern Elementary Welcomes Washington Township Families with Year of Community.

Our Northern Family continues to grow with the addition of new families to the District. This year, we enthusiastically welcome many new K-5 students from Washington Township. Our focus on Community aims to underscore the many strengths that come from a community centered on shared ownership, beliefs and goals. 2021 offers the opportunity for our Northern Elementary Family to expand and deepen with new relationships and resources. We look forward to sharing summer opportunities to connect with our Washington Township friends. Stay tuned!

## NES Family Ambassadors

We look forward to welcoming new families joining our NES Family in 2021 and building connections for the new year.
