## Northern Elementary Welcomes Washington Township Families with Year of Community.

Our Northern Family continues to grow with the addition of new families to the District. This year, we enthusiastically welcome many new K-5 students from Washington Township. Our focus on **Community** aims to underscore the many strengths that come from a community centered on shared ownership, beliefs and goals. 2021 offers the opportunity for our Northern Elementary Family to expand and deepen with new relationships and resources.

## Northern Elementary Gears up for August Open Houses

Our building custodians are working diligently to get our building ready for the 2021 school year and the Open Houses slated for our school family.

**Washington Township and New Grade 1-5 Families** will be invited to tour our building on **August 9th or August 16** (specifics to come via email). We look forward to providing families with the chance to get in and see where classrooms are located, have an opportunity to ask questions and build comfort for their child's entry to school.

**Kindergarten Families** will be invited to a Kindergarten Orientation, slated for 6PM on **August 26**. This is an evening tailored just for Kindergarten. It provides an orientation to building procedures, access to their child's classroom, time with the administrator, and an opportunity to meet their child's teacher. Information specific to this event will also come via email.

**Grades 1-5 Open House** is slated for the evening of **August 25**. We invite all GR1-5 families to join us on this evening, as this is a chance for children to meet their teacher and tour the school in advance of our first day.
