## #WeekOne Highlights

What a wonderful return for our Polar Bears! We greatly appreciate your kind patience and diligent assistance in supporting the safe travel to and from school. Safety remains a priority at NES and our students are key players in this mission. All students participated in a welcome back Safety Meeting via our N3 news. Daily safety meetings for GR2-5 took place each day, with K-1 students slated to meet with Miss Cal for a mini-

assembly to review school safety and security.

#GirlsOnTheRun launched via a #GirlPower gathering with coaches on Friday! Our girls in GR3-5 have the chance to participate in this empowering program in close collaboration with the York YMCA. #CheckBackPacksForInfo

Volunteer information came home via our PTO.

Individuals who have submitted clearances within the past 5 years do not need to resubmit. New volunteers should send documents in only when all clearances are ready for submittal. Please reference our school website for more information.
