#LetsStayConnected: NES Highlights

This week marks the official arrival of Fall-
can you believe it?! By now, our Polar
Bears have fully settled in, with
benchmark assessments complete,
routines set and eager unpacking of core
curriculum. Classroom instruction is
indeed in full throttle!

The Parent Portal on **SAPPHIRE** (Student
Information System) is now live. A memo
outlining the steps to take in creating an

account came home with your child.

Please reference this document to access
your student's information online.

A **SOCIAL MEDIA DECLINE FORM**
outlining Northern Elementary accounts
that feature student and staff will come
home in backpack mail. Please review
this form and return if you do not wish for
your child's photograph to be featured.

RACE FOR EDUCATION Day is just around the corner and we are so thankful for your support of our school! Although visitors will not have access to the field/track, seating will be available for parents to cheer students from the bleachers at Bostic Field. Our goal is for students to have a FUN, FESTIVE, HEALTHY and SAFE experience during their 60 minute Activity Session. Our students will be setting personal #Strength goals for that day and Ms. Cal will be culminating this RACE WEEKEND by running her first ½ Marathon on 10/04/15, a personal goal set for this #YearOfSTRENGTH! #InspiredByOurKids
