

May 19, 2021

District Families,

The District has been notified of a case of COVID-19 at the high school involving a student last in the building on May 17. This is the second case for the high school within the current rolling 14-day period (six cases require a closure).

The District is taking action in accordance with the guidelines of the PA Department of Health (DOH) and the protocols established in the District's Health and Safety Plan, including consultation with the DOH, contact tracing, quarantining individuals that were in close contact, and appropriate cleaning and disinfecting of affected areas.

Thank you for your patience and understanding as we navigate the many challenges of the COVID-19 pandemic.

In education,

Steve Kirkpatrick  
Superintendent of Schools
