TEMPORARY PERMITS

Students who have a permit for the current year must get a temporary permit if they need to drive another vehicle to school for a short time.

No temporary permits will be issued for students who do not have a valid parking permit.

How to get a Temporary permit.

- Know the license number, make and model of the vehicle you will be driving to school.
- Permits can be picked up in M-102 from 7:15 to 3:45.
- Allow sufficient time to put the temporary permit on the vehicle before classes start.
- Hang the permit on the rearview mirror with the numbers facing outward.
- Permits are issued for a maximum of one week and can be renewed if necessary.

Expired permits and permits not displayed properly are not valid and will result in vehicles being ticketed and/or towed.
