Superintendent Message

Dear SFISD Teachers and Staff:

March 8, 2024

Spring Break has arrived! It's hard to believe that we've already completed our 3rd Nine Weeks of School. We had a great turnout at the Barnett Elementary STEM Night and the Kubacak Elementary Math & Reading Night yesterday. As always, a huge thank you to EVERYONE for your commitment to the students and families of SFISD. These events could not have happened without your dedication and support.

Congratulations to our SFHS Girls' Soccer Team! They have earned a spot in the playoffs again this year! Our Boys' Soccer Team will finish up their season against Manvel at home this Saturday, and they are also in playoff contention. Kudos to Coach Holmes, Coach Franklin, and all our outstanding soccer players this season.

We also want to congratulate our Powerlifting Teams, our Golf Team, and our high-flying Pole Vaulters. These groups have all had a successful week! In Powerlifting, we have three girls (Breckyn Plite, Lynley Gillis, and Addi Webb) and three boys (Bryce Leal, Chris Moctezuma, and Kaden Schirck) who are all state qualifiers. Our Girls Powerlifters will compete at the Frisco State Meet over Spring Break. Let's GO Indians!!

Last but not least, a big shout-out to our awesome SFISD Bowling Teams. They earned a variety of individual awards this past weekend. Our Girls' Bowling Team won the Regional Championship, and they are headed to the State Bowling Tournament later this month. We are so proud of all these hardworking athletes.

Once again, thank you to everyone for all you do to support our students each day. We are so proud of our teachers and staff in SFISD. On behalf of our School Board and District Leadership, we wish all of you a blessed and restful holiday.

Enjoy the break,
KB
