Welcome and Call to Order

Treasurer's Report — See attached financial file

News or Business from Coaches

Coaches thoroughly explained Handbook, schedule, expectations, etc at the Parent/Player meeting prior to the booster meeting.

Leadership Positions

- a. Concessions — Tabitha will be at the Concession Stand on Tuesday, March 19th (4:30-5:30) to organize supplies and inventory and take donations.
<https://www.timetosignup.com/northernboysvball/>
- b. Programs — Erin Seltzer volunteered to take the team photos and create the program. It will be an 8 1/2 x 11 (front and back) — no business or personal ads this year.
- c. Player Profiles — Amanda Kuykendall volunteered to get the info sheets to the players to complete and then to the Banner for printing. She can get individual photos of the players from Erin.
- d. Photographer — Erin, Holly, and Laura Bissell can take pictures throughout the season. These, along with Curt Werner's should provide some nice shots for the slideshow at the banquet.
- e. Hoss's Team Night — April 30th. Amanda Kuykendall will provide code to send out in email, remind, and then to share with friends and family. Players and coaches will be given \$10 each by the booster club for their meals that night.
- f. Senior Night — May 9th. Holly volunteered to be a part of team. Team will take care of ordering cake, decorations, posters, etc. Coach Andrew mentioned his sister-in-law as a resource for printing, and Heather knows someone who could do the cake/cupcakes.
- g. Banquet — Decided to pursue having the banquet earlier this year (May 13th or 14th).

Family Donations in lieu of Fund Raisers

We discussed this in detail. Cindi explained our income vs. expenses coming out fairly even when we take Concessions and Family Donations and subtract expenses for t-shirts, warm-ups, insurances, gym rental (for open gyms), Hoss's Team Night, another team dinner, senior night, and banquet. If you did not give Cindi your check at the parent/player meeting, you can give that to her at the first home match, Tuesday, March 26th.

T-shirt Sales

We are using Carey's Screen Printing this year for t-shirts and warm-ups for the team. We passed around a sheet with details about these items to gauge interest. We will make a decision about this and communicate what items will be available, the cost of those items, and how you can purchase them.
