Secretary's Report

January 23rd Meeting Minutes Approved

Treasurer's Report

Dave Hudson (2016 treasurer) was in attendance and gave the report. We do not have anyone to fill this position yet. We need a 2017 treasurer. Dave can go to the bank with the new treasurer and president to make the transition. Balance in the bank is \$3,846.14. Change from last meeting was \$.15 interest. Need to close M&T checking. Will withdraw \$100 for cash box for concessions for starter cash. Two people need to count money at beginning of each home game and then two count at the end. Need to name others on the account for deposits, etc.

News or Business from Coaches

Open gyms going well. Boys have been encouraged to recruit more players. Open gyms are Tuesdays and Thursdays 3-5:30 in February (at the high school). The first practice of the season will be March 6th. PIAA Physical forms due by March 1. First home game is March 31st.

Can check regular season schedule on Schedule Star at this [link](#).

Considering change from Mid Penn to York conference. Last meeting to discuss is March 7th. Your attendance is important. According to Coach Rutter, this change would be a detriment to the Northern Volleyball program and most other athletic teams at our school.

Coach Bittinger had to step down as JV coach due to Lymes Disease complications. Coach Rutter is in the process of finding a head coach and assistant coach for JV. Justin Markle can float between Varsity and JV.

Vacant Positions

The Vice President and Treasurer positions need to be filled, as well as various subcommittees for fund raising. (See below list of all available positions.)

Programs - John Long

John has the template. He is making copies of letters (business and personal) to distribute to players. Letters in players hands first week of practice. Erika Smith spoke with Brian Schmick and we can get the programs printed for free. He is still checking on posters. Erika will find out who to submit the document to. Ads are due by March 15th. Programs will go to print March 22nd.

Sportswear Sale

Still finalizing the catalog with Fan Cloth — making sure there is a variety of shirts, stadium seats, etc. Shareable link for ordering. \$3 - \$9 will be made on each item sold.

Concessions

Erika Smith has been working diligently on donations since last summer. She gave a full report of those who have donated. Coach Rutter is checking with Coke contact and Nabisco contact. Time to sign up is active. Link will be sent close to season start.

Lisa Starner volunteered to help with concessions.
