Next Meeting:

Monday, February 13, 2017, 7:00pm

In Attendance:

Gigi Speese (president)	Tabitha Deller (secretary)	Erika Smith Dave Hudson	Debbie Rutter Neil Weaver	Lisa Starner Jeff Speese
----------------------------	-------------------------------	----------------------------	------------------------------	-----------------------------

Welcome and Call to Order

Secretary's Report

First meeting of the new season

Treasurer's Report

Dave Hudson (2016 treasurer) was in attendance and gave the report. We do not have anyone to fill this position yet. We need a 2017 treasurer. Dave can go to the bank with the new treasurer and president to make the transition. Balance in the bank is \$3,846.14.

News or Business from Coaches

Open gyms going well. Boys have been encouraged to recruit more players. Open gyms will transition to two nights a week in February (back at the high school once basketball is over). The first practice of the season will be March 6th. First home game is March 31st.

AAU Club team has tournaments on February 4, 18, & 19.

Can check regular season schedule on Schedule Star. Dropped York Suburban and Kennard Dale. Picked up Dover.

Vacant Positions

The Vice President and Treasurer positions need to be filled, as well as various subcommittees for fund raising. (See below list of all available positions.)

Programs

Neil Weaver led this effort last year. He has created a shareable file (via Google) containing letters for parents and businesses for ads. Suggested a \$10-\$15 price increase for business ads. We need someone to take over this responsibility.

It took Neil approximately 20 hours last year; however, a template is already set up in Microsoft Publisher. All that would be necessary is to cut and pasted information into the template. Programs need to be printed 2 weeks prior to first home game. Parent letters will go out February 13th. We can reach out to Brian Schmick and his contact at Cumberland Valley for printing. Printed 200 last year. May reduce this year. Every business that places an ad gets a program.

Sportswear Sale

We are switching to Fan Cloth. Can be used as a fundraiser. We need to submit the artwork. They will produce online catalog with several items, shareable link for ordering. \$3 - \$9 will be made on each item sold. Debbie will follow up with them.

Concessions

Erika Smith has been working diligently on donations since last summer. She gave a full report of those who have donated and other ideas she has.

Fund Raisers

We have decided to not do the 50/50 raffle this year. We will continue the following fundraisers. We are submitting paperwork for approval:

- Hoss's Meal Kits (now and maybe later in season) — Jeff Speese volunteered to lead this
- Programs Ads (now through Mid March)
- Concessions (throughout season)
- R&K Sub Sale (end of March)
- Hoss Community Night (Tuesday, April 4 or 25)
- Car Wash (possible dates: April 22, May 6, May 13) Erika Smith will call Member's 1st to check spring dates. (Decided to pursue spring and fall car wash)

Website

Laura Bissell can update as new information is given

Senior Night

Thursday, May 4th vs Carlisle. Someone will need to create posters. We can maybe use same contact for printing programs to print posters. Current Seniors: Andrew Smith, Owen Clendaniel, Josh Petersen, Matt McClintock, Ian Parzyszek, Trent Morris

End of the Year Banquet

Need to form subcommittee. Could use same venue (West Shore Free Church) and Clarissa Morris to cater as was done last year.
