

Whistleblowing (Confidential Reporting) Policy

Culford School is committed to running a school with honesty and integrity. Staff are expected to maintain high standards of professional conduct. In return they can expect to find a culture of openness and transparency. Culford will provide a safe environment where all employees and volunteers feel able to speak up if they have a genuine concern or suspicion of wrongdoing in the knowledge that any concern will be taken seriously.

We encourage you to use the whistleblowing procedure if you are concerned about any malpractice at work. Whistleblowers must not suffer any detrimental treatment as a result of raising a genuine concern. However if the procedure has not been invoked in good faith then it will make you liable to immediate termination of employment or such lesser disciplinary sanction as may be appropriate in the circumstances. Anyone who makes threats against a whistleblower in any way, will be subject to disciplinary action.

The Public Interest Disclosure Act 1998 prevents employees from suffering a detriment or having their contract terminated for whistleblowing. We take seriously any concerns which you may raise under this legislation and encourage you to follow these procedures. More information on your rights in relation to whistleblowing can be found in the useful links at the end of this policy.

Malpractice covered by this 'public interest disclosure' includes fraud, health and safety, environmental damage, criminal offences, miscarriages of justice and failures to comply with legal obligations, inappropriate behaviour, covering up malpractice and unethical conduct.

Whistleblowing is different to employees raising concerns about their own personal employment situation. Colleagues should not use the whistleblowing procedure to raise grievances about their personal employment situation but follow the School's procedures regarding grievances that can be found in the Employment Handbook.

When does the Whistleblowing Policy Apply?

This procedure is to enable all employees to express a legitimate concern regarding suspected malpractice within the school.

In consideration of MIST's Whistleblowing Policy, this policy may apply in the following circumstances;

Malpractice

- Manipulation of accounting records and finances
- Inappropriate use of the schools assets or funds (including MIST assets or funds)
- Decision making for personal gain
- Criminal activity
- Abuse of position
- Fraud and deceit
- Serious breaches of procedure which may advantage a particular party or actions likely to bring the reputation of the School, MIST or the Methodist Church into question
- Someone's health and safety is in danger
- Risk or actual damage to the environment

Child Protection

- Serious breaches of Child Protection (Safeguarding) Policy and procedures
- Poor or unsafe practice in relation to the handling or recording of safeguarding concerns

This list is not exhaustive and should an employee or volunteer be uncertain whether this policy is applicable, they should seek advice from the Head. If the matter is related to concerns about the Head then advice should be sought from Culford's Chair of Governors. If there is alleged wrong doing in relation to a member of the School's Governing Body the staff member can contact MIST's CEO.

Confidentiality

Employees and volunteers who wish to raise a concern under this procedure for malpractice are entitled to have the matter treated confidentially by the school. The complainant's name will not be disclosed to the alleged perpetrator of malpractice without the complainant's prior approval, as far as possible. It may be appropriate in the interests of confidentiality that concerns are raised orally rather than in writing, although all employees and volunteers are encouraged to express their concern in writing wherever possible. If there is evidence of criminal activity then the Police will in all cases be informed.

How to Whistleblow (Confidential Reporting of Malpractice)

In all non-safeguarding matters employees and volunteers should decide who is the most appropriate person to deal with their concern;

- Line Manager
- Member of the Senior Leadership Team
- The Head
- Chair of Governor
- MIST CEO

Under the Public Interest Disclosure Act 1998, there are circumstances where an employee may be entitled to raise a concern directly with an external body where the employee reasonably believes:

- That exceptionally serious circumstances justify it;
- That the school would conceal or destroy the relevant evidence;
- Where they believe they would be victimised by the school;
- Where the Secretary of State has ordered it.

In most cases it should not be necessary to alert anyone externally. However, in some circumstances it may be appropriate for concerns to be reported an external body, e.g. NSPCC DfE, Charity Commission, ISI, LADO or police. 'Protect' operates a confidential helpline that will help a whistleblower decide whether an external disclosure is appropriate. Their contact details are at the end of this policy.

Child Protection and Whistleblowing

Any employee or volunteer, who has a concern about a child, should follow the School Child Protection (Safeguarding) Policy that can be found at the school's website.

[Child Protection \(Safeguarding\) 2023-2024](#)

If you feel a child is not being made safe, that child protection arrangements within the school are inadequate, concerns about the School's practices or if the behaviour of colleagues or others which may put a child at risk of abuse or serious harm should be reported to the Designated Safeguarding Lead (DSL) or Deputy Designated Safeguarding Leads (DDSL) as action may already have been taken and/or the designated staff may have sought confidential advice from partner agencies such as children's social care or the police. If the individual is not satisfied with the outcome of this discussion, they should report their concerns to the Head or one of the other designated staff.

If the individual still has concerns about the safety or welfare of the child, they should contact at least one of the following:

- The Governor with responsibility for safeguarding Helen Brownlow
Helen.browlow@culford.co.uk 01284 725303
- Local Authority Designated Officer (LADO)
LADOcentral@suffolk.gcsx.gov.uk **0300 123244**
- Children's social care / MASH **0345 6061499**
- MIST independent safeguarding consultant – Carolyn Eyre carolyn.eyre@btinternet.com

In the case of possible serious harm, the police should be informed. Anybody can make a referral directly to **Children's Services to Customer First 0808 800 4005**.

Concerns about a colleague / adult in school

This relates to concerns that a member of staff, volunteer or other adult in school may have harmed a child/ren or behaved in a way that suggests they may be unsuitable to work with children. Anyone who has concerns about the behaviour of another adult in school should report this to the Head in the first instance, unless the concern relates to the Head.

If the allegation or concern relates to the Head - or there is reason to believe that s/he not taking the appropriate action / the individual does not believe their concerns are being taken seriously - they should contact at least one of the following:

- Culford's Chair of Governors - Mark Donougher C/o clerk@culford.co.uk
- MIST CEO – Judith Fenn ceo@methodistschools.org.uk
- The Local Authority Designated Officer (LADO) LADOcentral@suffolk.gcsx.gov.uk
0300 1232044
- The Police, if the incident or concern is so serious as to warrant a police investigation or a child has been placed at immediate risk of harm.

If staff feel unable to raise the issue with the School or MIST and/ or feel their genuine concerns are not being addressed; they can contact an external support organisation such as **NSPCC whistleblowing helpline (Tel: 0800 028 0285 or email help@nscpp.org.uk)**

If a child is in immediate danger or at risk of harm a referral should be made to children's social care and/or the police immediately. The DSL will ordinarily make external referrals, but anyone can make a referral directly.

How is whistleblowing managed?

Any concern raised will be investigated thoroughly and in a timely manner, and appropriate corrective action will be pursued. The employee or volunteers making the allegation will be kept informed of progress and, whenever possible and subject to third party rights, will be informed of the resolution.

In case of any doubt staff, the Head or Governors can seek advice from Protect, the independent whistleblowing charity, who can offer a confidential helpline.

If an employee or volunteer has been dismissed or removed as a result of a referral the school will inform the DBS.

If a teacher has been guilty of professional misconduct then the Teaching Regulation Agency (TRA) will be made aware. In EYFS any allegations will be reported to Ofsted as soon as possible and within 14 days.
