Business:

Updates – Draw String bag outreach estimates for middle school range from \$10-23 each.

Retired pants and jackets – Gaz approves selling and using money towards Booster items.

New Business:

Facebook page brought no objections so ok to proceed.

Goals for 2018 season

1. Team camp – Gaz is working on some options.
2. Team development goal – supporting attendance for team camp, get togethers like post- tryout, mid-season meal, post season restaurant and celebrating “little wins”.
3. Team identity – purchase warm up jackets and pants along with short sleeve warmups, new regulation on long sleeves white or black. Create a new logo. We are a year ahead of uniforms so the new logo will be on jacket, pants, warm ups, etc but old logo will be on uniforms.
4. Increase volunteer base - Inviting middle school parents to the Booster club meetings. There will be an April meeting with middle school parents.
5. Nurture HS, MS and DASC relationship – work with Seth and girls' soccer team in doing some clinics for little kids, volunteer players, help with middle school team, Gaz is helping Mr. Neiderer with tryouts.

Budget: draft attached

Budget issues

Pricing is needed on jackets and pants.

Are we able to get sponsors for warm up shirts to generate more revenue?

Possibly a different fundraiser? R&K Subs, Pretzels, yard signs, cookie dough are ideas.
