Business:

Budget – see attached. We need to create more revenue this year wherever possible.

Program – continue to do it ourselves to save money. Possibly have students work on this? If we continue to do the program ourselves, we need to build the program before the season starts and be ready to drop photos in quickly.

Concession stand – increase prices and add more variety. Try to get more deals on pizza, etc. Go to businesses that support us. Looking into Neato Burrito and Isaacs.

Sportswear sales – Need to get it out earlier and try to make more money.

Shootout – More variety and increased prices.

New Business

- A. Dropbox** – have started an account for minutes, treasure, etc. It is a good place to keep collaborative documents. Fundraising ideas, email template for sponsorships request. Will be used as an archive for future booster boards.
- B. Team camp** – need to send another email about the reimbursement.
- C. Away food** - Need someone to take care of away food
- D. Goals** – promote ourselves in the community.
