

Call to order 7:02 pm

Laura, Brian, John Patterson, Vicki

Minutes approved

Treasurer – account is increasing

Schwille – need to get participation in the turf meeting tomorrow night

1. Turf field – Need to try to get parents there. Biggest issue for us is hosting playoff games
2. Shootout – send email requesting more help. Will line fields on Wednesday night instead of Friday. Not asking for any donations from parents other than their time. Brian is taking care of all the food via donation or purchase. If we sell 75% of what ordered, we will make money. Reducing the menu.
3. Banquet – Need to decide on a date. Gifts for admins and Mr. Wilson. Talk to other booster clubs.

Senior gifts - \$350 approx. \$50 each – ask Charlotte Troutman about picking the gifts

Coach - \$250

Volunteer coaches (Andrew and JW) \$2000

4. Concession stand – running well and numbers are good to meet the budget. Cooler is broken, Becca talked to Coke and they will only supply a new cooler if we buy through them and only carry Coke products. The girls cooler still works and they will use that over the rest of the season. The boys will continue using coolers and ice. We need to decide how to handle moving forward, do we go in together or get a new cooler and handle them separately. Using cash to pay back Becca and Brenda. All receipts are being kept. Would like to continue running the concession stand this way, it is working well. Becca is making all of the food. The only problem has been someone to run the grille early. Also, the grille is Brian's personal grille and will need replaced going forward.

5. Calloway cards – need an update from Amanda. Girls have paid us

6. Spiritwear – maybe need to have 2 sales. One to open in June and close by August then another at the end of August. Look into a different vendor next year and maybe some new designs.

7. Senior night – need to get flowers and more info from boys.

New business

8. Possibly will win the Colonial Division. Want to do tshirts for them. Not in the budget. Have the boys wear before a special game. Possibly buy extra to sell. Design a tshirt

9. If they make a championship game, possibly look at a student bus?
