SOFTBALL

The girls softball program is now 11 - 5 overall and 1 - 1 in district play. Coach Hunter has played a tough schedule for the girls and they have risen to the occasion! The team will travel to Santa Fe on Tuesday in what is sure to be a showdown as it historically has been. The next home game is on March 19th vs Texas City. Be sure to come out and cheer on our Lady Mustang Softball program!

FHS ATHLETIC UPDATE

BOYS AND GIRLS TRACK AND FIELD

The boys and girls track program is rolling! The girls are fresh off a meet championship down in Brazosport this past weekend. Several outstanding team and individual efforts contributed to winning the 74th annual Gulf Coast relays. The boys are getting excellent contributions from all over the team. Both Coach Copeland and Coach Clements are building a championship product and will have both teams in line for a chance at the district title in April. Good luck Mustang Track and Field!

BOYS AND GIRLS LACROSSE

The boys and girls Lacrosse teams have hit their stride in the spring season. The boys, 7-1 overall and 2-0 in district, continue to dominate the net averaging almost 15 goals per outing defeating Episcopal on Monday 16-6. The girls program has been stellar the past few years and Coach McBride will have this team equipped to make a strong case as a Regional representative in the playoffs!

SPRING TENNIS

Both Varsity teams are excelling on the tennis court these days. Recently, at the Laporte and Katy tournaments, many players came away with a lot of hardware! The team is just about a month away from the district tournament. Circle the 25th and 26th of April as the new Friendswood Tennis Center will be host for that event! Best of luck to Coach Cook and our Tennis team!
