

Extended Day Newsletter

It's hard to believe it is March!! We've been very busy over the last two months. In January we had our first full day Professional Day, it was our largest ever field trip to RollerKingdom! A great time was had by all.

In February we had the annual Superbowl Party. The children were very excited and enjoyed crafts and games in the gym. Support was evenly split for both SF and KC. During Vacation Week we had Frost Fest, one of our favorites! We planned winter crafts and gym games, a dance party and a special snack of hot chocolate and cookies.

We really enjoy having OKO and YKO come together for these events.
