An **original birth certificate** (not a baptismal or hospital certificate) and proof of residency within the school district will be required for registration. If born out of the country, an official translated birth certificate is also needed. Prior to enrollment in the fall, all students will be required to also have on file with the school, a physical examination and evidence of current immunizations. A dental examination and vision examination for kindergarten is also required so parents are encouraged to plan ahead and make doctor appointments early.

Parents of children registering for preschool/kindergarten **must** provide **three methods of verifying legal residence** in the school district. **All three proofs of residency must be in the same name of the Parent/Legal Guardian registering the child.** The following **must** be used to verify legal residence. **You must bring paper copies of all documents; electronic copies will not be accepted.**
