Freshman FHS Scheduling Form 2024-2025

Student Name:_____ **Student ID:** _____

Middle School Attended (circle one): **Donnell** **Glenwood** **St. Michael's** **Other**

Counselor Name: _____

Refer to the Course Selection Guide for eligibility requirements and prerequisites. Students who are interested in Honors must qualify in that subject area. The following list of classes contain the Core courses that a freshman can sign up for during pre-registration. All freshmen must sign up for a full year of English, Math, History, Science, courses required for graduation, and electives to fill a school day. Leave one period open for lunch. Athletes taking PE must be passing 5 additional classes to be eligible along with the required 1.5 GPA. On this form you will indicate the courses you have chosen for next year. These courses should be selected carefully because the courses indicated on this form will be the courses you will be registered for. Once courses are selected, NO SCHEDULE CHANGES WILL BE MADE unless approved by the principal and counselor. This form must be signed by both student and parent.

Check one course from each core subject area below

English

☐	114 English	(1.0)
☐	990 CP Literature	(1.0)
☐	991 Honors English	(1.0)

Mathematics

☐	950 Honors World History	(1.0)

Primary Electives
List in order of priority

Crs. No	Course Title	Credit

Alternate Electives
Must list at least 5 courses in order of priority

Crs. No	Course Title	Credit

Courses Not Recommended (I understand that the following courses have not been recommended by the teachers or counselor, but I am requesting that my child take those classes that are not recommended. My child is aware that the dropping of the course or courses could result in a Withdraw/Fail for the class(s)

Student Signature:_____ **Date:** _____

Parent Signature:_____ **Date:** _____

Please choose your course selections carefully. Every attempt will be made to schedule all requested courses. In the event that a student registers for two courses in the same core area, and both courses are scheduled, the student will be required to remain in both courses. Students who do not turn in their completed scheduling form with teacher recommendations and parent signatures will have their classes scheduled for them. Schedule changes will only be made according to the add/drop and schedule change policies. Students may not add a course after the first 10 days of each semester or the first 5 days of a technology class. Schedule change requests will only be granted in the fall if there is a clerical error, summer school credit was earned, schedule change is required for CCP, academic course level change, adding a course to ensure athletic or extra-curricular eligibility, or Principal approval. Requests for specific teachers, lunch periods and/or courses offered during specific periods will not be honored. Students and parents are responsible for meeting graduation requirements, earning the honors diploma, and NCAA and OHSAA athletic eligibility. Teacher recommendations are provided to assist students in making wise choices and are indicators of potential success. Students are responsible for their success in the classroom regardless of the teacher recommendation. A parent signature is required.
