INTRODUCING

CLASSWIZE

CLASSWIZE

WHAT IS CLASSWIZE?

CLASSWIZE IS A SCREEN MONITORING SOFTWARE THAT HELPS TEACHERS MINIMIZE DIGITAL DISTRACTIONS.

Classwize provides teachers with full-screen visibility on all school-issued computers. Teachers are able to see and manage students' online activities allowing the class to focus on instruction and student learning. With Classwize, educators can provide more personalized support, foster engagement, and ensure a safe digital learning environment for all students.

TOP FEATURES

01 Control in-class website access

02 Manage YouTube distractions

03 Generate student activity reports

04 Communicate with students

FREQUENTLY ASKED QUESTIONS

WILL I HAVE ACCESS TO MY STUDENT'S DIGITAL ACTIVITIES OR SEE WHAT THEY ARE DOING IN CLASS?

Families do not have direct access Classwize accounts. However, a teacher may provide insights into your student's progress and engagement.

WHAT SHOULD I DO IF I HAVE CONCERNS ABOUT MY STUDENT'S DIGITAL ACTIVITIES OR THEIR ONLINE SAFETY?

Please reach out to your school's administration. They will be able to address your concerns and provide guidance.

WHICH ELECTRONIC DEVICES ARE COMPATIBLE WITH CLASSWIZE?

Only computers issued by Fulton County Schools are compatible with Classwize.   Classwize does not function on iPads or on personal computers.

WILL MY CHILD'S DEVICE BE MONITORED AT HOME?
