**HAPPY HOLIDAYS!**

To finish out the 2020 semester, Health Sciences students worked hard to spread joy in the community! Nursing students painted ornaments and wrote letters to thank nurses at Columbus Regional Hospital. Vet students made toys for CARE rescue (below). Dental students packaged healthy teeth bundles to distribute (below, right). HOSA members wrote letters and made crafts for senior residents in assisted living facilities who have been homebound for much of this year.

Left, PLTW Human Body Systems student **Sadhna Srikanth** (Cols East, 10) and below, Nursing I student **Emmily Munoz** (Cols North, 10) show off their creations, sharing some extra joy with others this holiday season.
