Local 8<sup>th</sup> and 9<sup>th</sup> graders received an assignment to complete in conjunction with visiting the virtual open house. After viewing the site, students were asked to identify which C<sup>4</sup> class(es) interested them the most. Postcards for each area of C<sup>4</sup> were created and C<sup>4</sup> Student Ambassadors from the respective areas wrote to students encouraging them to pursue their area of interest and answer questions the students had. At left is a postcard Interactive Media student **Lillian Bringle** (11) designed for a student curious about that area of study.
