C⁴ Holiday Lights Display is open for community enjoyment now – January 20th!
This display is a collaborative effort between C⁴'s Networking, Construction Technology, and Architectural Drafting & Design classes. Each year students add a new piece to the existing replica of Columbus' landmarks. This year's new addition: the 5th Street Bridge!

C⁴ talent was on display at this year's Festival of Lights Parade. Columbus East senior **Grant Cathcart** built the FFA letters used on this float. This was a great opportunity for him to display his C⁴ involvement in both Construction and Agriculture. C⁴ Ag instructor **Sara Searcy** said Columbus FFA and QMIX collaborated several years ago for the Festival of Lights Parade and this year's float was the best yet!

Christmas wonder and surprise filled C⁴ classrooms at Columbus North this week as preschool students enjoyed making homemade snow with their Early Childhood Education instructors (above). First grade students from Smith Elementary were treated to cookie decorating lessons courtesy of Culinary Arts students (below).

Mark Your Calendar!

- ❖ WINTER BREAK December 23-January 3
- ❖ C⁴ Open House January 29 5-8 pm @ Columbus North
