You may hear C⁴ Radio and Television students **Malachi Parks** and **Collin Phillips**, along with their peers, promoting the upcoming C⁴ Open House on local radio stations next week! Collin, a Columbus East senior, and Malachi, a junior at East, are no strangers to being on air; they regularly produce the morning announcements at Columbus East High School.

C⁴ is gearing up for a busy season! Pictured at left are some of the 10th grade students from Brown County and Crothersville who toured C⁴ programs this week. The 10th Annual C⁴ Open House is January 29 with many more 8th and 10th grade tours to follow, as C⁴ gives prospective students opportunities to prepare for their future college and careers.
