The 2020 C⁴ Fairs and Open House are now in the record books and the C⁴ team would like to extend a huge Thank You to ALL who helped make these events a success!
Over 800 eighth grade students in Bartholomew County got a taste of C⁴ programs at the C⁴ Fairs. Many of those students brought family members back to the evening Open House to share their excitement about the opportunities awaiting them through the C⁴ program in high school! This year's Open House welcomed over 150 interested families from Bartholomew and surrounding counties who engaged with C⁴ students, teachers, and community partners.
