Congratulations to Junior **Cole Kleffman** (photo, right) for winning 1st place in the SkillsUSA competition for Automotive Technology. Mid-year graduate **Dakota Hutson** also placed 4th in this division. Dakota has been working at Eldon’s Automotive Service & EuroTech Specialists in Columbus since his completion of high school coursework. Junior **Trever Matern** earned a 3rd place finish in Diesel Technology at the SkillsUSA competition. Congratulations to all three!

When Columbus East FACS teacher Karen Nading asked her Sports Nutrition and Wellness students who had family members living with diabetes and half her class raised their hands, she knew it was time to address the issue, since her students could inherit the disease. Mrs. Nading enlisted the help of Purdue Extension Educator and Dining with Diabetes expert, Harriet Armstrong, to educate her students on healthy food options. Pictured from left, **Karen Nading** serves up healthy chili to sophomores **Jayden Peek** and **Harry Major**. Pictured right, sophomore **Anthony Lloyd** answers a diabetes review question from the diabetes nutrition ball.

Developing new industry partners in 2020!

Manar, Tobar, Overton Industries, Dyno One, Radwell International, Cunningham Precision Group, Mac Sheet Metal, and Columbus Nissan/Ford

Thank you to ALL our C⁴ partners for opening doors of opportunity for C⁴ students!!
