Last Friday, C⁴ Biomed student **Zoey Horn**'s senior project came to completion with scans of over 280 of her peers for deadly heart conditions. The gym was filled with photos and stories of young people who suffered some form of cardiac episode, often resulting in death. Zoey partnered with the Play for Jake Foundation to offer EKGs and echocardiograms read on-site by a pediatric cardiologist. Pictured left, **Zoey Horn** and **Julie Schroeder** (Jake's mom) stand with a picture of Jake and a check for \$7500, which covered the cost of the scans for CNHS students. Thank you, Zoey!
