C⁴ was well-represented at the "Be A Teacher Day" event in Indianapolis in November. Students from Education Professions, Early Childhood Education, and FCCLA attended the informative sessions and enjoyed a Pacers game in the evening. **Mrs. Wallace** and **Mrs. Halterman** accompanied the outing.

Implementing what they've learned from lectures and in-class demonstrations, Criminal Justice students were eager to try out techniques for safe and effective traffic stops. Several representatives from city and county law enforcement were on hand to assist C⁴ instructors **Mr. Ward** and **Mrs. Thompson** in directing the students. Thanks to all the adults who lent a vehicle for the practice and/or gave their time to improve the experience for the students. Here's a glimpse into the day...

New and used LEGOs are needed for the HOSA holiday community program! Proceeds will go to Riley Children's Hospital and to local children in the foster care system. Donations may be brought to the C⁴ office at CNHS, or call the office to arrange pick up for used LEGOs. Deadline is December 14.

Encouragement for the week -
