Despite the not-quite-annual weather postponement of the 9th Annual C⁴ Open House, the event on February 6th did not appear to suffer from the delay. Approximately 400 students, family members, and interested community members visited the classrooms and labs at Columbus North, learning about the classes offered at all C⁴ locations. For those who may have missed it, C⁴ staff are always willing to answer questions about the opportunities available to eligible high school students and can arrange tours of specific areas of interest.

C⁴ was well-represented at Hospitality Legislative Day at the Indiana Statehouse on Feb. 20th. Thanks to two winning teams at the state ProStart competition last spring, our program was the only student organization invited to participate at this popular event. Chef Carrie Douglas and students served Tomato Pie Tartlets to rave reviews. Photo, right (L to R): Larah Henderson, Giovanni Alejandro, Ashley Garrity, Grace Mauzy, Chef Carrie Douglas, IN Rep. Ryan Lauer, Natalie Carnes, Jennifer Buenrostra, and Tristan Franks.

Congratulations to C⁴'s three United States Presidential Scholar state nominees, in the area of CTE – Cole Bennett (Nursing), Lily Johnson (Graphic Design), and Traci Roe (Criminal Justice). They and their instructors are completing the next steps of lengthy paperwork to be considered to move on to the national level.
