E-nnouncements

C⁴ will connect community resources to provide career education for all students while laying the foundation for life-long learning.

A glimpse into some C⁴ classrooms…

Computer Tech Support

Under the instruction of C⁴ teacher **Michael Paprocki**, Computer Tech Support students learn how to take apart a desktop computer, identify all components and put it back together with no spare screws, wires, or parts.

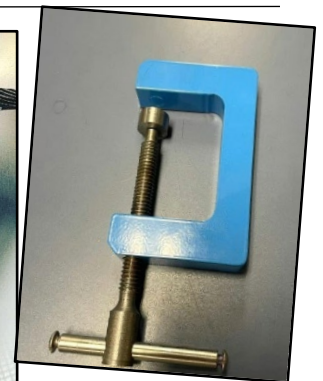

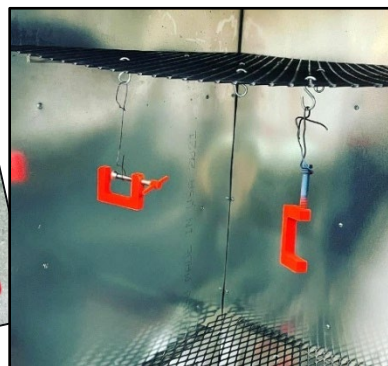

DENTAL CAREERS

This week, Dental II students made instructional videos for Dental I students to view. Edinburgh seniors, **Alyssa Funkhouser** (left) and **Alivea Cundiff** (right) are being recorded using a floss threader to floss under the wire of a patient with braces.

Precision Machining

Dalton Foley is proud of his Precision Machining students for another round of C-clamps, freshly machined and powder coated. The first round was completed in early October.
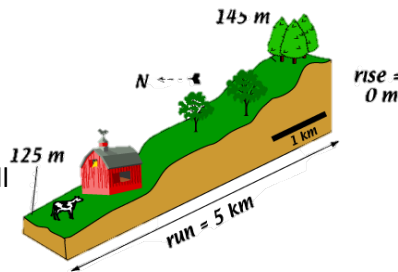

Criminal Justice

Criminal Justice II students completed their Traffic Stop Practical earlier this week. Since the beginning of the year, students have been practicing the steps to perform routine and high-risk traffic stops.

Criminal Justice Instructors **Chanel Thompson** and **Mike Ward** send a huge thank you to officers from the Columbus Police Department, Bartholomew County Sheriff's Office, Indiana State Police, Seymour Police Department, and Indiana Department of Natural Resources, who came in to evaluate students.

Agriculture

Sara Searcy's Environmental Conservation class took advantage of beautiful late fall weather and learned how to calculate slope this week!

Biomed

PLTW Principles of Biomedical Sciences students got their hands dirty with the annual heart dissection lab.
