The hallways have been buzzing with students for just over two weeks now! Classes started August 4, 2022 for BCSC students. Over 310 students from schools outside BCSC who are served by C⁴ came together on August 11 for C⁴ Orientation.

New this year: Advanced Fashion and Design. **Amanda Godwin** saw an opportunity to further her students' growth and knowledge in Fashion and Design!

Michael Tungate, Columbus East graduate in 2020, recently stopped in to visit his former teacher, **Mr. Foley**. He was in Mr. Foley's class for three years during his four years of high school. Michael was inspired to give back to Mr. Foley and his students because he vividly recalled tools breaking and the need to replace them. He donated \$200 to go towards students' needs. Michael's kindness is greatly appreciated!

Also added this year: Intro to Public Safety taught by **Brian Plummer**. This is a beginning course for Criminal Justice classes.

Second year Veterinary Students created bulletin boards as part of their Animal Career Projects. "This was an awesome ice breaker and team project," said **Mrs. Rogers**, the Veterinarian Careers teacher.

Blitzen, **Mrs. Rogers'** dog joined the Vet Tech team for his first day of school!
