**Jim Roeder's** Radio and TV students collaborate in the studio, control room, and anchor post to produce Columbus East news media. Their YouTube channel airs in East's advisory classes on Fridays.

**Brian Plummer's** Public Safety Course joined the Law Enforcement classes in practicing safe handcuffing techniques.

**Amanda Godwin's** Advanced Fashion and Design worked on reverse tie dye, using bleach. While some students loved the results and wanted to stop there, next week they plan to add dye to the bleached areas.

**Leo, Bob Hartman's** dog, served as a willing "patient" in the Vet Assisting classroom this week.
