**Amanda Godwin's** Education Professions 1 & 2 classes rock their new shirts with a Jurassic-style logo and the phrase "Teaching is a Walk in the Park." Their classroom is dinosaur themed this year.

**Derik Gratz'** first year classes are working on the E6010 Lap Joint (Fillet) Weld. From left, above, **Sara Hobbeheydar** (holding the weld) and **Max Andrews** display a sample of their work.

**Carrie Douglas'** Culinary crew perfect their knife skills while cutting carrots for a delicious heart healthy recipe.

Advanced Fashion and Design students work on their needle and thread detail abilities by embroidering images on fabric.
